PROFESSIONAL SUMMARY

Frontend Developer with experience building responsive, scalable web applications using **React.js, JavaScript (ES6+), HTML5, and CSS3**. Proficient in developing **Single Page Applications (SPA)**, integrating **REST APIs**, and optimizing **frontend performance** through code splitting and lazy loading. Strong understanding of **component-based architecture**, **asynchronous programming**, and **responsive design principles**.

TECHNICAL SKILLS

Frontend Technologies: JavaScript (ES6+), HTML5, CSS3
Libraries: React.JS
Core concepts: React Hooks, Single Page Applications (SPA), Component-Based Architecture, Responsive Web Design
API & Data Handling: JSON, Asynchronous JavaScript, Fetch API
Performance Optimization: Lazy Loading, Code Splitting, Rendering Optimization
Tools & Platforms: Git, GitHub, VS Code, Webpack, Vite, Netlify, Vercel, Render

---

PROJECT

ShopEasy – E-Commerce Web Application
Tech Stack: React.js, JavaScript, HTML5, CSS3

- Developed a React.js Single Page Application (SPA) for e-commerce workflows including product listing, cart functionality, and checkout process.
- Integrated RESTful APIs using Fetch API to retrieve and render dynamic product data, enabling real-time updates and seamless user interaction.
- Implemented Razorpay payment gateway integration with secure transaction flow and user feedback handling for success and failure states.
- Built search, filtering, and sorting functionality to enhance product discovery and improve user navigation.
- Designed a role-based admin dashboard for inventory management, order tracking, and sales monitoring using reusable UI components.
- Applied performance optimization techniques including lazy loading and code splitting to improve application load time and efficiency.
- Developed reusable and modular React components, improving code maintainability and scalability.
- Ensured cross-browser compatibility and responsive design across mobile, tablet, and desktop devices.

EDUCATION

Bachelor of Technology – Computer Science & Engineering
Chalapathi Institute of Engineering and Technology *2020 – 2024*
